# Building an Independent Speech and Language Therapy Practice

A Guide to Support and Inspire Healthcare  
Practitioners

By **Diana McQueen and Jo Williams**

This book examines the journey of the authors, Jo and Diana, as they transitioned from working in the NHS to setting up an independent practice following redundancy. Highlighting both the benefits and challenges, the authors outline the steps they took to move from crisis management to a position of stability and success. The voices of other experienced professionals drawn on throughout in the form of personal stories and specialist contributions. This book is essential reading for speech and language therapists (and others) considering going down the independent route.
