

Soundswell Screening & Intervention for Phonological Awareness [SSIPA]

SSIPA is a practical resource to help practitioners support and develop children's Phonological Awareness skills. These skills are crucial for...

Speech sound development

Vocabulary acquisition

Learning to read

Included in this course are 4 booklets

- 1. Handbook:** theoretical background, details the contents of the resource & how to use it
- 2. Screening Tool:** includes resources and data collection
- 3. Early Intervention:** session plans
- 4. Extended Intervention:** session plans

Learning outcomes: by the end of this session, participants should...

- know what phonological awareness is and how it links to literacy
- successfully embed universal strategies into the curriculum
- screen children with confidence
- be able to deliver intervention programmes
- confidently collect data and record progress

NB this course is not about techniques for teaching phonics – however it will help you to help those children who are not yet ready for phonics or who are struggling with learning phonics!

Who should attend	EYFS and KS1 staff. SENDCo/EYFS Manager/Phonics Lead + TA KS2 children who are still struggling with phonics will also benefit from SSIPA, either delivered as a targeted small group intervention or on an individual basis.		
How to attend	Book for your school or your consortium (SSIPA is a great course for 2 or more staff to attend and support each other with implementation) Click the "Book Today" button or contact us via office@soundswellspeech.com		
Number of participants	Up to 20	Duration	Whole day
