

Practical Training for Schools

Training • Coaching • Implementation and Support

Let's Work Together to Put What You Already Know Into Practice!

Practical Training to Help Schools With Implementation of Specific Strategies and Approaches to Support SEND Needs Across Mainstream Settings

Are you in the position where you have all the reports, you've received the recommendations, the named strategies and approaches you 'know what to do' but it's still a bit overwhelming about how to put this advice into practice?

This is where Soundswell Speech & Language Therapy Solutions can help you out!

We can deliver training and follow up support in your setting to equip you with the skills to get going with implementation!

Our training sessions will provide you with really practical strategies to help you put advice into practice. You will learn more about:

-  Implementing Intensive Interaction strategies
-  Delivering bucket activities
-  Using visuals to support language and communication eg 'now and next' boards, visual timetables, aided language displays
-  How to adapt, simplify and modify your language to match the needs of the children
-  Hands-on demonstration, Coaching and mentoring for staff can be provided to follow up any training sessions – this is what works for children!

“Practical strategies
Real change
Brighter futures for all”

Supporting the Principles of the Mainstream Inclusion Fund

Contact us at Soundswell Speech & Language Therapy Solutions to find out more about how we can work with you to implement the principles of the mainstream inclusion fund such as:

'To provide high quality adaptive teaching with a curriculum designed for all learners'

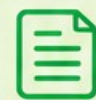

'To enrich provision beyond the classroom so that all children can access learning'

'To provide a safe and respectful culture fostering belonging, attendance, and participation in learning'

'To develop inclusive environments with continuous improvements to accessibility'

Inclusive mainstream fund for schools: methodology 2026 to 2027
